

A-dec 300 Core Package

A-dec Quality At an Amazing Price.

The A-dec 300 CORE dental chair package offers proven A-dec **quality** and **reliability** at an entry-level price, with optional upgrades for added flexibility. Compact and durable, it features pressure-mapped upholstery, a virtual pivot, and a dual-articulating headrest for **patient comfort**, while the ultra-thin backrest allows **excellent clinical access**.

Built to last 20 years, it combines smooth hydraulic motion with minimal maintenance. The **ambidextrous** delivery system easily adjusts for left- or right-handed users, keeping instruments within reach. **Ergonomic**, modular and **affordable**, the A-dec 300 CORE delivers lasting **value** and everyday performance.

All A-dec capital equipment is now backed by a premium 10-year warranty for lasting peace of mind.
